Definitions of Unusual Words:

Cairn – A man-made pile of stones, usually a memorial, grave marker, or way-point.

Coomb – A small, sheltered valley tucked into a hillside.

Fen – Low-lying, marshy wetland, often waterlogged and grassy.

Heath – Open, uncultivated land with low shrubs, grasses, and gorse.

Mere – A lake or pond, often broad and shallow.

Scree – Loose stones or rubble covering a steep slope or hillside.

Wold – Rolling upland or high, open country, often windswept.
