Combat

SUCCESS DIE	RESULT	
1	Weakened enemy*, roll again	
2	Combats table 1	
3	Combats table 2	
4	Combats table 3	
5	Combats table 4	
6	Full of Hate**, roll again	

***Weakened enemy:** The Loremaster should decrease the starting Endurance of any adversaries, or make them Weary.

****Full of Hate:** The Loremaster should increase the number of Hate points of each adversary by 1.

***Easily Ambushed:** The enemy is completely unaware of the company, caught sleeping, or something similar. The Loremaster should grant an automatic Ambush if the company desires to attack.

****Strength of numbers:** The Loremaster should increase the numbers of adversaries that the company will face or roll again and add another type of adversary to the episode.
